Risk Level: High

Risk Score: 875

Executive Summary

25 claim(s) identified. 16 open and 7 closed. Total paid is \$1,079,900.00, reserves are \$2,288,500.00, and total incurred is \$3,368,400.00. 12 litigation-related claim(s) detected.

Carrier-Facing Broker Narrative

The account presents a high underwriting profile with 25 claim(s), 16 open claim(s), and 12 litigation-related claim(s). Total incurred losses are \$3,368,400.00, with \$2,288,500.00 in outstanding reserves. Key concerns include open claim activity, reserve pressure, litigation exposure, and large-loss activity where applicable.

Recommendation

High renewal concern. Prepare a detailed broker narrative, address open reserves, explain litigation status, gather updated loss runs, and provide loss-control documentation before marketing the account.
